## PRESS RELEASE

### RE: MODE RECORDS CONCERT SERIES AT THE STONE IN NYC

**September 16-30**

Located at the corner of Avenue C and 2nd Street

Mode is honored to have been invited by John Zorn to curate two weeks of concerts at The Stone — a not-for-profit performance space dedicated to the Experimental and Avant-Garde. A total of 24 concerts!

We are pleased to present a diverse roster of artists and music, reflecting both the New Music and jazz sides to the Mode and Mode/Avant labels. The series features an international lineup of artists from not only from throughout the USA but also from Berlin, Cologne, London, Paris, Montreal, Moscow, Rome and Toronto. Some making rare NYC appearance, some making their USA debuts.

The series runs the gamut of Mode's 26 years, performers including some of Mode's early recording artists (Neely Bruce, Chris Burke, Schanzer/Speech Duo) — and of course the music of John Cage — through current and future recording artists.

A special feature is two programs of "Idea Music": classic works of graphic scores, open form and intuitive music performed by a collaboration of musicians from the series — works of Brown, Bussotti, Ferrari, Oliveros, Stockhausen, etc.

I would like to thank the invaluable Samuel Clay Birmaher for his excellent repertoire and programming suggestions and organization of this series.

All tickets are \$10. Shows are at 8pm and 10pm.

We hope you can join us.  
Brian Brandt
